MEMORANDUM FOR: Deputy Director for Intelligence
Deputy Director for Support

SUBJECT : Agency Policy Regarding Briefings and
Presentations

REFERENCES : (a) [   ] "Requests for CIA Officials   25X1
as Guest Speakers"

(b) [   ] "CIA Briefing and Debriefing   25X1
Program"

1. There seems to be some confusion as to whether the Office
of Training or the Office of Central Reference is responsible for
handling the visits to the Agency of the National War College class,
the Senior Seminar in Foreign Policy, and similar groups, as well
as for arranging for CIA speakers to visit these groups.

2. In looking at the referent regulations, it seems to me that
these responsibilities are not clearly delineated. I believe it was
intended that the Office of Central Reference would arrange for
briefings and debriefings of individuals so that CIA might benefit
"from the experiences of those U.S. Government officials who are
assigned overseas or who travel overseas." I also believe it was
intended that the Office of Training would handle arrangements for
the visits of and presentations made to groups, such as the National
War College class and the Senior Seminar in Foreign Policy, which
are in a training status. In any case, this is to be the policy effec-
tive immediately.

3. It is requested that the Deputy Director for Support, in
consultation with the Deputy Director for Intelligence, take steps
to amend the regulations so as to avoid any further confusion.
